Gensan Province

Dear Sir/Madame:

Greetings from Bombo Radyo Philippines, the No. 1 and Most Trusted Radio Network in the Country!

Bombo Radyo Philippines is once again leading the charge in a nationwide blood donation campaign, aimed at supporting life-saving initiatives and ensuring a continuous supply of volunteer-donated blood across the country.

This year's bloodletting event, dubbed as *"Dugong Bombo 2024: A Little Pain, A Life to Gain,"* will take place simultaneously in 24 key cities nationwide on November 16, 2024 (Saturday). For the Gensan area, we invite you to join us at Robinsons Place Gensan, J Catolico Avenue, Brgy Lagao, General Santos City, from 6:00 AM to 5:00 PM.

A blood donor is a true hero. Each donation is a selfless act that can save lives. It can provide vital support to accident victims, patients undergoing surgery, those fighting serious illnesses, and even individuals with dengue fever who urgently need blood transfusions. Your contribution offers hope and a second chance at life to those in need.

We are honored to invite you (or your organization/company) to be a partner in this noble cause. By encouraging your healthy personnel or members to participate, you can help ensure a stable supply of blood for hospitals and emergency services. Together, we can make every drop count.

Rest assured, all donors will receive the utmost care and attention throughout the donation process. As a valued partner in this life-saving mission, your organization's contribution will be acknowledged on our radio broadcasts and digital platforms, shining a spotlight on your commitment to making a difference in our community.

As a token of our gratitude, each successful blood donor will receive:

- A Philippine Red Cross Donor's Card
- A Dugong Bombo T-shirt (until supply last)
- Hot meals and snacks

Join us in this heroic endeavor—let's unite to save lives and create a lasting impact. Your support can make all the difference.

We look forward to your participation and thank you in advance for your generosity and dedication to this cause.

Sincerely yours,

JONATHAN B. MACAILING
