DIVISION MEMORANDUM

No. **055**, s. 2024

COLLECTION OF DATA FOR GRASSROOTS SPORTS

To: Assistant Schools Division Superintendent
Public Schools District Supervisors
Public Elementary and Secondary Schoolheads
All Others Concerned

1. Grassroots sports refers to sports activities and initiatives that are organized and undertaken at the local community level, often by volunteers and community organizations. These activities usually feature amateur athletes, learners, and adults playing sports for fun, community service, and personal growth. It gives learners the chance to play sports, pick up new skills, form bonds with one another, and take advantage of the advantages of leading an active lifestyle. Grassroots sports also serve as a pathway for talent development, as they often provide the foundation for athletes who later go on to compete at higher levels of competition.
2. The Curriculum Implementation Division – Instructional Management Section will collect data from schools that have grassroots sports initiatives. The collected data will be used in crafting a Sports Development Program to be included in teaching MAPEH subject. All schools must submit the data (see enclosure 1) via email: edmund.gulam@deped.gov.ph on or before March 4, 2024.
3. For inquiries, contact Edmund D. Gulam at 09363767071.
4. Widest dissemination of this Memorandum is desired.
