My warmest felicitations to all the graduates and completers of School Year 2023-2024!

As we convene to commemorate the accomplishments of the graduates and completers of the Department of Education, Division of Sarangani, the quote by Helen Keller comes to mind: "Character cannot be developed in ease and quiet." Success, a clearer vision, and more inspired ambition are all outcomes that can be attained solely through the ordeal of trial and suffering.

You have demonstrated exceptional resilience and determination amid overwhelming obstacles, such as the COVID-19 pandemic and the continuous onslaught of natural disasters, which are both unprecedented challenges. Every challenge you have surmounted has put your determination to the test and shaped you into the tenacious individual you are today. Your determination to overcome challenges serves as a model for the Filipino youth, who are poised to influence the trajectory of our country in the years to come.

Embracing the theme, "***Kabataang Pilipino Para sa Matatag na Kinabukasan ng Bagong Pilipinas***," bear in mind the following fundamental truth: education empowers you to effect change; it is not merely the acquisition of knowledge. Your intellectual development has endowed you with abundant knowledge, abilities, and, above all else, fortitude and resolve to actively participate in developing a more robust and improved Philippines. As you embark on the succeeding phase of your lives, confidently confront the forthcoming challenges, fortified by the knowledge that you can mold a more promising future for yourself and our cherished nation.

Rejoice in your accomplishments, Batch 2024! May your paths be illuminated with limitless opportunities as you journey beyond these academic halls. Although challenging circumstances may transit, your grit and persistence will endure. May each step toward achieving your dreams bring you happiness and satisfaction. We wish you prosperous futures brimming with boundless opportunities and the fulfillment of your deepest ambitions! Proceed with resolve and an unyielding spirit to conquer the world.

Mabuhay ang Kabataang Pilipino! Mabuhay ang Bagong Pilipinas!
