BRIDGING COMMUNITIES TOWARDS BETTER OPPORTUNITIES

MS. RUTH L. ESTACIO, PhD, CESO VI
Schools Division Superintendent
Sarangani Schools Division - Department of Education (DepEd)
Capitol Compound, Sarangani Province

Dear **Dr. Estacio**,

The Alsons Agribusiness Unit (ABU) in partnership with the Conrado & Ladislawa Alcantara Foundation, Inc. (CLAFI) is pleased to inform and invite your Division's school heads to be keynote speakers at the launch of our Family Strengthening Program on June 26-27, 2024 at the Chapel, SACI Compound, Maribulan, Alabel.

As you may know, ABU is committed to fostering a strong and supportive work environment that extends beyond the company walls. We believe that empowered employees with healthy families contribute to a more resilient and successful workforce.

On January 12, 2024, ABU took a significant step towards this goal by identifying key areas to strengthen our corporate social responsibility (CSR) initiatives. Recognizing the importance of family well-being, we are launching a unique program based on CLAFI's successful model implemented since 2014.

This program focuses on two key objectives:

- Empowering Employees as Changemakers:** Train a dedicated group of employees to become effective trainers themselves, enabling them to lead workshops and educate their colleagues on building safe and nurturing family environments.
- Cultivating Strong Families, Building a Stronger Workplace:** Equip employees with knowledge and skills to create a positive impact on their own families and the broader workplace community. By promoting communication, conflict resolution, child protection, and financial planning, we aim to prevent abuse, neglect, and exploitation, fostering a stronger social fabric.

Your Division's school heads' expertise in the following topics would be invaluable in setting the stage for this impactful program:
