Re: Invitation to Collaborate on Child Abuse Prevention and Intervention Network (CAPIN) Training Session

Dear, SDS Ruth,

We would like to express our gratitude for your continued support to the empowerment of our children through Child Abuse Prevention and Intervention Network (CAPIN) activities of Conrado & Ladislawa Alcantara Floundation Inc. and Consuelo Foundation.

The CAPIN initiative aims to empower children with the knowledge and skills to identify child abuse and understand the reporting process. To realize this, we hope to tap the 10 children leaders forming the Consuelo Youth Advocates Network (CYAN) and the officers of the Supreme Student Council. Through their involvement by cascading this essential topic in their schools, we seek to create a network of informed individuals capable of recognizing and responding to child abuse incidents effectively.

The Consuelo Youth Advocate Network (CYAN) in Sarangani and the SSLG advisers and officers of Malapatan, Malungon, Maasim, and Alabel, would greatly contribute to the collaborative effort to enhance child protection measures and create a safer environment for children in our community.

Anent this, we respectfully request your good office to allow the following children leaders and their teachers to participate in a 2-day child abuse reporting and referral workshop on November 7-8, 2024, at EmJake Aquawave Resort and Convention:
